Dear Andy:

Congratulations on the tremendous job you've done at Bide-A-Wee. To get the rating lifted so high so quickly is truly a fantastic accomplishment, and although I'm not surprised that you were able to do it, I still marvel at your ability to work wonders in these matters.

If I ever get my back straightened out, I'm going to come over and knock a ball around that course once or twice!

With kindest personal regards and best wishes, I am

Sincerely yours,

Edward E. Brickell
