Dear Andy:

As Mayor of the City of Portsmouth and on behalf of the entire City Council and the "Portsmouth Family", I would like to take this opportunity to extend congratulations on your recent honor of being named "Best Golf Course" in Portsmouth for 2004 by HamptonRoads.com and the Virginian Pilot.

I am confident that your family, friends, employees, and especially customers share in the deep sense of pride that I feel for this outstanding achievement.

May God richly bless you with good health and happiness.

Sincerely,

**Dr. James W. Holley III
